

SimplyStreamTV

A yacht-worthy solution, made simple

For years on end, **entertainment systems** on yachts have been **too complex** in **design, cost, space** and **hardware**.

While the market is asking for **simplicity, ease-of-use** and **a lower footprint**.

Introducing...

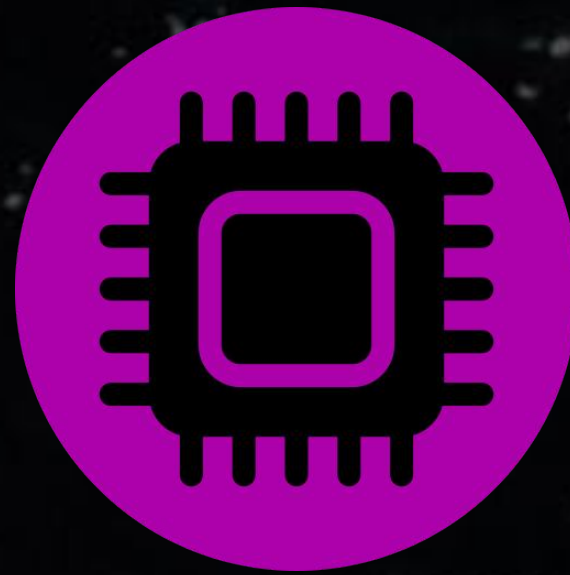

SimplyStreamTV

An entertainment system with all core features:

- Live television and radio
- Audio and video on demand
- WiFi onboarding
- Infotainment
- System control

Save over **50%** on...

Equipment
